

FUNCTIONS

A song you sing. The playful way you mock posh behaviour. Cockney rhyming slang for 'cigar'.

All of the above and none of the above.

...

As the newest bar / dive / lounge/ urban cabin / mixology den in the terra incognita of Belconnen's social landscape, La De Da is Canberra's ideal function destination.

Sip the cocktails and drink in the water views. If landscapes aren't your thing, check out the wall art by Erin Forsyth (Method and Manners, New Zealand) & Jessica Cochrane (Daddy Issues) who add a splash of artistic flavour to offset the timber and polished concrete stylings.

Accommodating groups from 10 to 110, the following packages are a sample of what La De Da can offer but not limited to, we are also happy to tailor a package to your desires.

Venue booking

We reserve areas for groups free of charge with no minimum spend obligations.
